

Last year, Alumni Relations and Student Alumni Society (SAS) teamed up for the first annual Student Engagement & Philanthropy (SEP) Day sponsored by the Council for Advancement and Support of Education (CASE) Affiliated Student Advancement Programs (ASAP), headquartered in Washington, D.C. More than 120 organizations in the United States, United Kingdom, Singapore, South Africa, Mexico and Australia organized activities and events on their campuses to enhance awareness and engagement of students. Your alma mater was one of those organizations!

Due to the support of our alumni and students, we are once again, planning an event surrounding SEP Day. SAS has been awarded approval by CASE ASAP to use SEP Day: A Leadership Initiative as the name of the event. Students understand that leaders are shaped in a variety of ways, but they are certain that all possess qualities that will enhance their role in the “real world.”

This worldwide event is being held on Thursday, February 27, 2014. Students will be asked to donate to the Nichols Fund for an opportunity to meet with Nichols alumni. The purpose of the gift is for students to understand that philanthropy is important. A gift to their future alma mater helps pave the way for future generations of Bison to have similar experiences on the Hill.

SEP Day: A Leadership Initiative will be held in conjunction with a week-long program called The Gift of Opportunity, which is sponsored by Alumni Relations and Student Alumni Society. This is set to take place during the week of April 14, 2014. We are asking those interested in participating to block Thursday, April 17 on their calendar as that will be the day for the alumni and student connection.

**As alumni, you can assist current Nichols students by:**

- ➡ Allowing two students to shadow you for a day (includes treating them to lunch)
- ➡ Inviting students to spend a morning or afternoon at your company or organization
- ➡ Visiting with students on the Nichols College campus
