

A close-up photograph of autumn leaves. The leaves are in various stages of color change, ranging from bright green to deep red and orange. The lighting is bright, highlighting the intricate vein patterns on the leaves. The background is softly blurred, showing more foliage and a hint of a blue sky.

C A L E N D A R

Bates

I hope you will enjoy the 2018 Bates Calendar.

The images in this year's calendar show that Bates continues to be a place for deep intellectual engagement, powerful critical inquiry, openness to the rich diversity and complexity of the wider world, and commitment to preparing our students for lives of social contribution. The engagement of our students in, among other things, research, internships, the arts, and athletics—all of which generate powerful connections with one another—would not be possible without the generous support of alumni and friends like you. I hope that you will stay connected to Bates in 2018 and be part of the success of The Bates Campaign, which will give our students and faculty the resources they need to succeed at every level.

With all best wishes,
Clayton Spencer
