

Alumni gifts support students and accelerate critical research

I want to make a gift to support: (please tick the area where you wish to direct your support)

- Black Bristol Scholarships
- Futures Scholarships
- Sanctuary Scholarships
- Healthy Minds
- All student support
- COVID-19 and further virus research
- Where the need is greatest

At a time when many students and families are facing greater hardship than ever before, please consider joining your fellow alumni and friends to create life-changing opportunities.

Alternatively, you may wish to support the University's COVID-19 research. Gifts enable researchers to continue their response to the pandemic at pace, and to enhance virus research to be better prepared in the future.
