

MY HUMAN IS
#BUTLERBOUND

BUTLER
UNIVERSITY

PSST... HELLO FELINE FRIEND!

Sorry to bother you. You look mad. Hear me out, okay?

Your human has the opportunity to join me at Butler University next year, and you should feel very proud. I know your kind likes to pretend you don't have any feelings at all, but as cat of the house, I'm sure you'll be sorry to see your buddy head off to college. Don't worry. I'll take good care of them.

Enclosed is a little something from me to you to help ease the transition, and to ensure you always look as fly as I do. Your human is going to come home wearing all kinds of Butler gear—T-shirts, hats, shorts, and more—and I don't want you to be left out. Go ahead and put it on. You'll be amazed at how great you look. See? What did I tell you?

Wear it well and, as we like to say around here, Go Dawgs!
(No offense. You are a beautiful and majestic creature.)

P.S.: Have your owner share a picture of you wearing this and tag me on social media. Smile big, because I'll RT it.
