

Join us in San Francisco

Celebrate 125 years of Tuck with **Dean Matthew Slaughter** and fellow alumni in the Bay Area! Together, we'll look to the future during an evening of conversation and connection featuring a cruise aboard the *Sea Change*—the world's first zero-emission, hydrogen-powered passenger ferry from SWITCH Maritime, co-founded by a Tuck alumnus.

As one of Tuck's most recent graduates, you're invited to an exclusive **Tuck 125: San Francisco** pre-reception for members of the past five classes. Enjoy drinks, Tuck takeaways, and extra time with classmates before the formal Tuck 125 celebration begins.

Then, join the full alumni community for remarks from **Dean Matthew Slaughter** and a cruise aboard the *Sea Change*—the world's first zero-emission, hydrogen-powered passenger ferry from SWITCH Maritime, co-founded by a Tuck alumnus.

Dear Heather,

Since its founding in 1900 as the world's first graduate school of management, Tuck has excelled at developing well-rounded leaders driven by a desire to better the world through business.

As we celebrate all that the global Tuck community has accomplished together, I hope you will consider **making a gift of \$1,000 today in honor of Tuck's 125th anniversary.**

Your support expands Tuck's impact today and helps steward the school into its next 125 years. Thank you for your gift!

With gratitude,

A handwritten signature in black ink that reads "Heather".
