The EveryCat Challenge continues, and Claire's story reminds us why every gift matters. From igniting her passion for French during a summer program in Paris to launching her own fashion brand that showcases the beauty of diversity, Claire's journey from fourth grade to Ivy League graduate was fueled by the support of donors to The Westminster Fund. Your gift empowers all 1,891 Wildcats like Claire to discover their passions, unlock their potential, and transform their futures.

Students and President Keith Evans gathered in Pressly Hall to celebrate the generosity of the families, faculty, staff, and alumni who make the Westminster experience possible.

westminsteratl Sophie's story is just one example of the impact our community's generosity has on the lives of our students and alumni. She first discovered her artistic side in seventh grade, and that spark grew into a passion for design that ultimately led her to pursue her dream at MIT—all made possible through the generosity of donors like you.
