THE CENTENNIAL CAMPAIGN FOR FOXCROFT SCHOOL

Together We Will Step Boldly into the Future

THE CENTENNIAL CAMPAIGN FOR FOXCROFT SCHOOL

EXCITING NEWS: FOXCROFT'S CENTENNIAL CAMPAIGN IS WITHIN \$2 MILLION OF ITS \$75 MILLION GOAL!

Begun just seven years ago in 2010, our Centennial Campaign is almost complete! This historic effort is designed to support our residential life program through the Residential Initiative and to strengthen our endowment, two important elements in the delivery of an exceptional Foxcroft experience.

Already, our students, faculty, and staff are enjoying the benefits brought by early gifts to the campaign. Support of the Residential Initiative has enabled us to build Stuart Hall and to undertake needed improvements and upgrades to our dormitories. New endowment funds have been created to address specific needs of the School, and restricted giving has brought about a new student van; carpeting, a roof, and skylights in the library; and The Innovation Lab, Foxcroft's new makerspace. In addition, bequests and estate gifts have contributed to our Residential Initiative and grown our endowment.

We are 97% of the way to our Centennial Campaign goal, but we need your help to finish this campaign! We invite you to choose an aspect of your Foxcroft experience that is most important or meaningful to you and make a gift to support that facet of the School.

Your gift to one of Foxcroft's endowment funds or our Residential Initiative not only will help complete the Centennial Campaign, it also will connect you in perpetuity to future generations of Foxcroft girls.

FOREVER FOXCROFT

YOUR LEGACY
Our Future

BOLDLY ENSURING FOXCROFT'S FUTURE

If you think back to your time at Foxcroft, what had the most significant impact on who you are today? If you watch your daughter's experience here, what has made the difference for her? Was it a teacher, a dorm parent, or coach? Was it Fox/Hound, an inspiring class, a role in the play, or maybe time spent at the barn?

Whatever that facet of Foxcroft is that warms your heart is the

aspect you can help preserve through an endowment gift to the Centennial Campaign.

In giving a gift to the endowment, you help to sustain what makes Foxcroft special. A strong endowment bolsters the financial foundation of the School. It makes the Foxcroft experience possible while also enabling the School to weather

economic fluctuations. It is the investment account which supports Foxcroft's future.

An endowment gift to the area of the School that means the most to you allows your vision for our School to become, and remain, a reality.

THE POWER OF ENDOWMENT GIVING

A strong endowment is integral to Foxcroft's financial sustainability. You can make a gift designated to the area most important to you, create a permanent fund in honor or in memory of someone who has impacted your life, or include one of these areas in your estate plans. Every gift is important and makes a difference to our future.

GIVING TO WHAT YOU LOVE

GIVING TO WHERE THE NEED IS GREATEST

GENERAL ENDOWMENT

Gifts to general endowment provide funding that is used to meet current priorities and address exciting new opportunities as determined by the Board of Trustees and the Head of School. Income from these gifts may be used wherever the need is greatest and allows the Head of School and Board of Trustees the latitude to address operational and infrastructure needs and to respond to unanticipated situations. Such funds provide a vital source of income in the strategic planning of budgets and programs.

IT TAKES A VILLAGE

FACULTY AND STAFF BENEFITS

More than 100 faculty and staff members work passionately each day to ensure the School and its facilities are well taken care of and run smoothly. In a competitive marketplace, attracting and retaining those individuals — whether classroom teachers, administrators, maintenance workers, or housekeepers — who love to work with girls and take pride in what they do for the School, is challenging. This fund enables Foxcroft to offer competitive

benefits to our full-time employees, ensuring the School is able to continue to attract talented and dedicated faculty and staff.

SUPPORTING FACULTY EXCELLENCE

PROFESSIONAL DEVELOPMENT

This endowment recognizes the critical importance of Foxcroft's outstanding teachers and provides them with professional development opportunities so that they can bring innovation in their fields to the classroom and improve teaching strategies to further support our students. This fund increases opportunities for teachers to attend conferences and seminars, take graduate courses, complete specialized training, and present at national conferences.

SUPPORT THE CENTENNIAL CAMPAIGN

In addition to the Residential Initiative, you may designate a gift to the following areas in the endowment:

General Endowment	Stephen L. Matthews Library Fund
Faculty and Staff Benefits	Athletics
Professional Development	Riding
Scholarships/Financial Aid	Buildings and Grounds
Student Life	Other Endowment Funds
Educational Program Support	

For a complete list of established funds, visit www.foxcroft.org/endowmentfunds

ATTRACTING THE FINEST STUDENTS

SCHOLARSHIPS/FINANCIAL AID

In order to attract talented students from diverse backgrounds, Foxcroft must increase its scholarship and financial aid funding so that qualified girls will be able to attend, regardless of their family's financial resources. For the past several years, Foxcroft has worked to keep tuition at or below inflation in order to support our families and be good stewards of their investment. Gifts to this endowment ensure that we can offer needed financial support to incoming students.

ESTABLISHING AN ENDOWMENT FUND

Gifts of any amount can be added to unrestricted endowment or an existing named fund and can be made through an outright gift or as part of an estate plan. Establishing a new fund starts at \$25,000, with the income from the fund supporting its purpose. Endowing a chair for a department such as math or history begins at \$1 million, with the income from the fund supporting the salary and benefits of those who hold the endowed chair.

“EVERYTHING WE DO IS CURRICULUM”

STUDENT LIFE

At Foxcroft, each girl is known and valued for who she is. Gifts in support of this endowment help us to strengthen our residential program by providing students opportunities to develop leadership skills, responsibility, and understanding through School traditions, community service, trips, clubs, and fun weekend activities. Gifts to the Student Life endowment ensure that whether in the classroom, on the field, or in the dorms, each girl receives support in ways that make her feel embraced as an individual and that help shape her character.

A HEALTHY MIND

EDUCATIONAL PROGRAM SUPPORT

With 76 courses, including 16 Advanced Placement courses, in six disciplines as well as additional opportunities for independent study, online courses, and our new academic concentration program, Foxcroft offers a rigorous academic experience that challenges each girl to develop the analytical, critical thinking, and communication skills needed for her success in college and in life. Gifts to the Educational Program Support endowment help

create new courses, provide the latest classroom equipment and technology, and offer experiential learning opportunities.

HONORING A MASTER TEACHER

STEPHEN L. MATTHEWS LIBRARY ENDOWMENT FUND

To many, the Audrey Bruce Currier Library and former Librarian, Steve Matthews, who retired in 2016, are synonymous. Under Steve's guidance, our library, which is at the heart of our community, has grown to house approximately 30,000 volumes, 26 online databases, 21,700 streaming videos, over 1,900 movies on DVD, and around 100 periodicals. This building is a communal hub for students and faculty alike as they gather for Morning Meeting, attend classes in our newly refurbished classrooms, or use library resources. Gifts to this endowment fund honor Steve Matthews' 39 years of service to the School as a Master Teacher, mentor, advisor, and of course, our most devoted "Friend" of the Library.

A HEALTHY BODY

ATHLETICS

Foxcroft girls work hard and play hard. From the beginning, sports have played a vital role in each girl's experience. The importance of sports is reflected in the School's motto, *Mens Sana in Corpore Sano*, a healthy mind in a healthy body. Gifts to this endowment support our nine interscholastic teams, a variety of non-competitive athletic options such as yoga, cycling, and rock climbing, as well as our coaches, team travel, and more. Our athletic program is designed to build confidence, discipline, leadership, perseverance, teamwork, focus, and expertise.

SUPPORTING A SIGNATURE PROGRAM

RIDING

Horsemanship and the responsibility that goes with it have been an integral part of the Foxcroft experience since the School opened its doors in 1914. Our program is designed to promote the philosophy that riding helps develop character and the

RESIDENTIAL INITIATIVE

Gifts to this aspect of the Centennial Campaign have enabled us to build Stuart Hall, our LEED Gold 50-bed dormitory; upgrade our existing dormitories — Applegate, Dillon, Orchard and Reynolds — with new bathrooms, flooring, paint, and heating/cooling systems; build new and enhance existing faculty housing; and renovate Court as the School's new Welcome Center.

ability to make good decisions. No matter her riding level, each student is given the opportunity to grow in skill, knowledge, horsemanship, and character through a program that is tailored to meet her needs whether she is just beginning, competing at rated shows, or foxhunting in the Virginia countryside. Gifts to our riding endowment support our long-standing tradition of horsemanship, our extraordinary facilities, our horses, and the staff who care for them.

MAINTAINING AND ENHANCING OUR UNCOMMONLY BEAUTIFUL CAMPUS BUILDINGS AND GROUNDS

Spanning 500 acres with 46 buildings, our campus is our largest asset. Gifts in support of our buildings and grounds are critically important to the long-term stewardship of our School. Income from this endowment funds all aspects of our plant operations and ensures that our campus remains a place of beauty and inspiration where girls learn, grow, and thrive.

SUPPORTING AN EXISTING FUND OR CREATING YOUR OWN ENDOWMENT FUND OTHER ENDOWMENT FUNDS

Endowment funds have been created in support of financial aid and scholarships, the operation of our buildings and plant, the riding program, our academic programs, and much more. Established by individuals, families, and friends through outright gifts or as part of an estate plan, each fund supports a different aspect of the School and preserves a part of Foxcroft that is important to those who established it. If you are interested in contributing to an existing fund, please go to www.foxcroft.org/endowmentfunds to see a listing of our funds. If you would like to create a fund, please contact the Office of Institutional Advancement at 560.687.4510 or advancement@foxcroft.org.
