

Your gift. Your choice.

The Faculty and Staff FUNd Drive Needs Your Support!

1. Choose an area to support.

A complete list of available funds is available on the intranet or through your departmental team leader. Gifts to the Kettering Gift Fund are always welcome, as the University can use these unrestricted funds immediately for the most pressing initiatives.

2. Make your gift now at build.kettering.edu/FUNdDrive or by filling out the attached form and returning it to the University Advancement Office by interdepartmental mail.

3. Celebrate! We'll gather together on Tuesday, May 8th at 9 a.m. in BJs to celebrate you and our collective giving in support of Kettering Students.

GREETINGS EVERYONE

We're pleased to include you in the 2018 Faculty and Staff FUNd Drive Campaign to support Kettering students. Your contribution enhances the University and helps students achieve their academic goals. Corporations and Foundations often inquire about faculty and staff participation in giving before providing funding of their own.

And...socks are back this year! When you make a contribution of \$35 or more online at <https://build.kettering.edu/FUNd Drive> or by filling out the enclosed form, you'll receive an exclusive pair of Bulldog socks.

Our goal is to increase FUNd Drive participation to 85% this year. So give to an area at the University that you are passionate about. You can find a complete listing of available funds on the Kettering FUNd Drive intranet page. Thank you for the many ways you support Kettering students through your hard work and dedication; and for taking time now to invest in our future through your support of the FUNd Drive.

Warm regards,

Kenneth Williams
Assistant Professor, School of Management

Shari Luck
First Year Coordinator and Instructor, CILE
