

YOU **AND** Northwestern

IS
AND
IN YOUR
DNA?

IT'S IN OURS.

College is a time to gain **deep knowledge** in a chosen field. But it's also a **time to explore**: new ideas, diverse perspectives, unfamiliar territory.

Our advice? Approach your college experience with an openness to uncharted directions and unexpected intersections—a **spirit of “and.”**

Our spirit of AND.

Our quarter system allows you to take more courses each year than a semester system would. This means **more flexibility and more opportunities** to study across disciplines.

3 academic quarters
× 4 courses per quarter =

12
courses/year

4,300+
courses offered
each year

More than **150** international and study abroad programs
