

BOLDLY BUFFALO

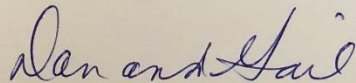

THE CAMPAIGN FOR UB

Dear UB Friends,

Thank you for coming to UB's Boldly Buffalo campaign launch! After tonight we think you'll agree UB is so much more than a place—it's a way. And for so many—us included—it's about our future.

Now it is time to take the next bold step. The UB of tomorrow is in our hands today. Join us in supporting UB's bold future.

With deep appreciation,

Daniel Alexander, MD '99, BA '95 and Gail Alexander, BS '87
