

A vibrant, stylized illustration for a 'Unity Night' event. The background is a light green color with a repeating pattern of white floral motifs, including flowers, hearts, and swirling vines. A large white circle is centered on the page, containing the text 'Unity NIGHT' in a dark blue, brush-stroke font. The word 'Unity' is significantly larger than 'NIGHT'. Surrounding the central circle are various white and light-colored icons: a church with a red roof and a steeple, a wooden cross, a white dove in flight, a yellow butterfly, a brown car, a blue car, an orange car, a blue bus, a man walking with a brown bag, and two women walking. There are also palm trees and a decorated Easter egg. The overall style is clean, modern, and celebratory.

SANTA CLARA UNIVERSITY

DIFFERENT PEOPLE
Flourish
HERE

Santa Clara University people come from diverse walks of life. We travel seas, coasts, highways, and city blocks to call SCU home. And when we're together, home is exactly what this place feels like.

We welcome you to our home.

DIVERSITY MOVES US FORWARD

Proud pasts. Hard work. Bright futures.

If people are the sum of their experiences, this school is the sum of our people. At SCU we believe that our differences don't divide—they unite. Across continents, cultures, languages, and religions, we share a commitment to build a more humane, just, and sustainable world. We unite under this commitment.

“

My host became an instant friend, and after sharing stories I realized that connecting with others was not as difficult as I thought it would be. She reassured me that Santa Clara University is a beautiful place for me but also that Santa Clara University needed more people like me. With this program

**I FOUND A COMMUNITY BEFORE
EVEN COMING TO COLLEGE.”**

**THIS PROGRAM HELPED
ME UNDERSTAND WHAT

ARE AVAILIABLE AT SCU**

and the diversity that exists on campus. I still talk to some of the people I met at the program, and they let me know about all the benefits that SCU has to offer.”

“

**THIS WAS THE BEST
OVERNIGHT EXPERIENCE
I HAD AT ANY SCHOOL**

I was admitted to. I was able to stay with a student who showed me around campus, and it gave me a feel for what my four years at SCU were going to look like.”
