National Mentoring Month

The last Saturday in January, the AAAC Mentoring Circle hosted our annual Beats & Brunch event for our mentors. We met at VCU Student Commons for a day of music, food, and enjoying each others' company. Thank you to everyone who attended and we hope to see you all next time!

Calling all mentors and mentees!

We want to feature you in a promotional video for our mentoring program. In the video, mentors and mentees will talk about their experiences and explain why this program is an awesome, worthwhile opportunity. This video will be shot on VCU's campus, so if you aren't local to the area, you likely won't be able to participate. If you're interested in being featured in the video, email program coordinator Alexandra Clayton at claytonan@vcu.edu.

New Changes to the Mentoring Circle

As we gear up to begin our next cohort, we've adapted our program to the feedback we've received. The Mentoring Circle will now be following the school year rather than running April to April. We will begin our matching process in the Fall Semester, starting in September. We hope this timeline will increase participation in the program!
