## Independent Accountant's Review Report

To the Board of Trustees  
Council for Advancement and Support of Education –  
District VII

We have reviewed the accompanying financial statements of Council for Advancement and Support of Education - District VII (the Council), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Council's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

### Accountant's Responsibility for the Financial Statements

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion

### Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

## Notes to the Financial Statements

---

### A. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization: The purposes of the Council are to develop and foster sound relationships between member educational institutions and their constituencies; to provide training, programs, products, and services in the areas of alumni relations, communications, and philanthropy; and to provide a strong force for the advancement and support of education worldwide.

Income taxes: The Council is exempt from the payment of income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code (the Code). The Council qualifies for the charitable contribution deduction under Section 170(c)(2) and has been classified as an organization that is not a private foundation under Section 509 (a)(2) of the Code.

Basis of accounting: The Council prepares its financial statements on the accrual basis of accounting. Consequently, revenue is recognized when earned and expense when the obligation is incurred.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents: For financial statement purposes, the Council considers all demand and money market accounts not held in investment accounts to be cash and cash equivalents.

Accounts receivable: Accounts receivable consist of trade receivables related to fees owed for conferences and other events. These receivables are recorded at face value, net of any applicable credits. Based on the number of months that payment is outstanding as well as management's knowledge and history with the customer, management assesses whether or not the receivable is collectible.

Subsequent events: Subsequent events have been evaluated through September 30, 2016, which is the date the financial statements were available to be issued.

### B. CREDIT AND MARKET RISK

Credit risk: The Council maintains demand deposits and money market funds with financial institutions. At times, certain balances held within these accounts may not be fully guaranteed or insured by the U.S. federal government. The uninsured portion of cash and money market accounts are backed solely by the assets of the underlying institution. As such, the failure of an underlying institution could result in financial loss to the Council.

Market risk: The Council invests funds in a professionally managed portfolio that contains mutual funds that invest in common shares of publicly traded companies, U.S. Government and municipal obligations, and corporate bonds. Investments are exposed to market and credit risks and may be subject to significant fluctuations in fair value. As a result, the investment balances reported in the accompanying financial statements may not be reflective of the portfolio's value during subsequent periods.

### C. INVESTMENTS

The Council has implemented the accounting standards topic regarding fair value measurements which establishes a framework for measuring fair value in accordance with generally accepted accounting principles, and expands disclosures about fair value measurements. This standard uses the following prioritized input levels to measure fair value. The input levels used for valuing investments are not necessarily an indication of risk.

Level 1 – Observable inputs that reflect quoted prices for identical assets or liabilities in active markets, such as stock quotes;

Level 2 – Includes inputs other than Level 1 that are directly or indirectly observable in the marketplace, such as yield curves or other market data;

Level 3 – Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk, such as bid/ask spreads and liquidity discounts.

Investments classified within Level 1 include fixed income and equity mutual funds, which were valued based on quoted prices for identical assets in active markets.

Cash and cash equivalents are recorded at cost and are not required to be classified in one of the levels prescribed by the fair value hierarchy.

The following is a summary of the input levels used to determine fair values at June 30,:

<b>2016</b>	Total	Level 1	Level 2	Level 3
Mutual funds - equity	\$ 343,768	\$ 343,768	\$ -	\$ -
Mutual funds - fixed income	180,392	180,392		
Investments carried at fair value	524,160	\$ 524,160	\$ -	\$ -
Cash and cash equivalents	11,342			
Total investments	<b>\$ 535,502</b>			

<b>2015</b>	Total	Level 1	Level 2	Level 3
Mutual funds - equity	\$ 336,500	\$ 336,500	\$ -	\$ -
Mutual funds - fixed income	168,472	168,472		
Investments carried at fair value	504,972	\$ 504,972	\$ -	\$ -
Cash and cash equivalents	34,582			
Total investments	<b>\$ 539,554</b>

### C. INVESTMENTS – CONTINUED

The following is a summary of investment (loss) income for the years ended June 30,:

	2016	2015
Net loss on investments	\$ (12,733)	\$ (4,417)
Interest income	<u>9,932</u>	<u>6,443</u>
	<u>\$ (2,801)</u>	<u>\$ 2,026</u>

Investment management fees were \$1,252 and \$460 for the years ended June 30, 2016 and 2015, respectively.

### D. RELATED PARTY TRANSACTIONS

Council for Advancement and Support of Education (CASE) was incorporated in 1974 under the nonprofit laws of the District of Columbia. The purposes of CASE are to develop and foster sound relationships between member educational institutions and their constituencies; to provide training, programs, products, and services in the areas of alumni relations, communications, and philanthropy; and to provide a strong force for the advancement and support of education worldwide. CASE owed the Council \$3,949 for the year ended June 30, 2016 and the Council owed CASE \$1,045 for the year ended June 30, 2015. These amounts are included in accounts receivable at June 30, 2016 and accounts payable at June 30, 2015 in the statements of financial position.

### E. COMMITMENTS AND CONTINGENCIES

The Council holds meetings at various hotels throughout the United States. These events are contracted with the hotels approximately two years in advance. In the event that the Council cancels its agreements with the hotels, it can be held liable for amounts up to the total room revenue, depending upon the date of cancellation.
