Sponsored Webinars will be free for professionals at CASE member institutions, maximizing the opportunity for your content to reach a large global audience.

## Webinar Criteria and Guidelines

Sponsored Webinars will be hosted live and be between 60-75 minutes in length. All webinars will meet the following criteria:

- Define the target audience and identify between 2-5 measurable learning objectives which support the needs of that target audience
- Support professional development along the CASE Competencies and Career Journey Framework
- Feature a presentation/workshop/round table and include time for audience Q&A
- Include at least one opportunity for the audience to engage in the content (poll, brief activity, etc.)
- Content must focus on thought leadership, not a sales pitch/product demo
- Slide decks are required to be submitted to CASE at least two weeks prior to the event for review

Recordings will be made available for one year following the live event. Expected reach between 300-600 people per live session, with additional people accessing the recording during the year it is hosted online.

## Benefits include:

- Sponsorship is exclusive, and sponsor determines speakers and content
- Sponsor logo visibility on promotional e-mails
- Logo visibility during webinar, CASE staff acknowledgement of sponsor
- Opt-in/opt-out registration list for live event and registration list for on-demand downloads 90 days after the event

# CASE Advertising Policy

## Advertising Terms And Agreements

### PRINT ADVERTISING

1. CASE reserves the right to review and reject any advertising.
2. Advertisers and advertising agencies are jointly responsible for payment of all insertions unless otherwise agreed to in writing. If payment cannot be collected from the agency for any reason, the advertiser will be held responsible.
3. CASE does not guarantee a specific circulation or readership for an advertisement.
4. A contract year for *Currents* magazine is six consecutive issues.
5. Advertisers with two or more divisions may group insertions for frequency discounts.
6. Cancellations will not be accepted after the closing date for ad reservations and the scheduled insertion will be billed regardless of whether the ad actually is printed in the issue.
7. New ad materials are due by the prescribed deadline prior to the issue date or the publisher has permission to pick up the ad used in the previous issue.
8. Requested positions are not guaranteed unless a special position premium has been paid or the position was agreed to in writing.
9. The advertiser and agency assume liability for all content, including text and illustrations of advertising published, and also assume responsibility for any claims made against *Currents* and/or CASE, including the cost associated with defending such a claim.
10. Any advertising copy that might be mistaken for an article, commentary, or other non-advertising material must be clearly marked "advertisement" and may be marked as such by CASE.
11. CASE shall be under no liability for failure, for any reason, to insert an ad.
12. Any revision or special handling required for advertising materials will be billed to the advertiser and CASE shall be under no liability for accuracy of changes requested.
13. CASE does not assume liability for the return of advertising materials.
14. Rates are based on acceptable electronic materials. See mechanical specifications.
15. Agency commission of 15% of gross billing is allowed to recognized agencies on space, color, and position charges. Production and mechanical charges, including insert fees, are noncommissionable.
16. Advertisers or their designated agencies will be invoiced upon publication and sent a checking copy.
17. Payment is due within 30 business days of the invoice date. No early or pre-payment discounts may be applied.
18. Advertisers who do not keep accounts up to date may be prohibited from advertising or required to pre-pay.

### DIGITAL ADVERTISING

1. CASE reserves the right to review and reject any advertising.
2. CASE does not guarantee a specific number of impressions or click throughs.
3. Insertion orders must be submitted at least 10 days before issue month and cancellations are not permitted after this date.
4. Ad materials and linking information must be received 5 days before issue month or previous ad and link may be used.
5. Advertisers and advertising agencies are jointly responsible for payment of all insertions unless otherwise agreed to in writing. If payment cannot be collected from the agency for any reason, the advertiser will be held responsible.
6. The advertiser and agency assume liability for all content, including text and illustrations of advertising published, and also assume responsibility for any claims made against CASE and its representatives, including the cost associated with defending such a claim.
7. Any advertising copy that might be mistaken for an article, commentary, or other non-advertising material must be clearly marked "advertisement" and may be marked as such by CASE.
8. CASE shall be under no liability for failure if an ad does not appear in the email version of any CASE e-newsletter, on CASE.org, or if there is a broken hyperlink.
