

Regular Giving

8th- 9th December 2020

Online

Sponsorship and exhibition opportunities

The Regular Giving Conference is the perfect opportunity for participants to discover practical solutions that can be implemented straight away, learn from expert speakers with extensive regular giving experience and get proven, effective techniques for delivering targets.

This conference is suitable for all levels - with breakout sessions covering core skills, strategy and practical tips. Discover the role, value and potential of regular giving within your institution and as a career.

Programme details: <https://www.case.org/conferences-training/regular-giving-2020/online-programme>

Audience: professional of all levels, mostly from European institutions, involved in Regular Giving activities

Expected number: 40-50 participants

Chairs: Geoff Savage, Head of Individual Giving, Aston University and Jemma Murr, Head of Regular Giving, The University of Manchester
