COURIER, DELIVERIES & COLLECTIONS, STORAGE & FORKLIFTING

For all stand material deliveries, we strongly recommend that you do not send direct to venue.

Our services will ensure your delivery will be made to stand in-line with Organisers timelines.

CEL services will help YOU make a positive impact on the events environmental sustainability.

Reducing vehicle numbers, Reducing air pollution, Reducing congestion.

FREE Pre/Post Event Storage at our local warehouse allowing you greater flexibility and more time to get your shipment ready for collection.

Stand clearance and empty case storage is also available upon request, contact us for a quotation.

Please be aware, there are NO storage facilities at the Venue.

At Breakdown, all material MUST be removed from Venue, no material can be left overnight.

CEL can remove material that has failed on-site collection. We will remove and return to our warehouse for subsequent uplift.

Please liaise with CEL directly regarding your logistics requirements via the red hyperlink below

All FORKLIFTING requirements must be booked through CEL.

To comply with Venue Insurance and Health and Safety requirements, no mechanical handling equipment may be used on the venue premises.

Please contact info@cameronlogistics.co.uk if you require forklift assistance.
