

Dear Suzie Swarthmore,

On behalf of The Swarthmore Fund, thank you again for supporting Swarthmore students and the *Changing Lives, Changing the World* campaign. As a small gesture of our thanks for young alumni donors, we'd like you to have this magnet of Magill Walk. Each year, we hope to send another magnet of an iconic location on campus so that young alumni can build Swarthmore on their refrigerators.

With thanks,

Emily Anne

Swarthmore young alumni are defined as alumni that have graduated within the last fourteen fiscal years. For the current fiscal year (July 1, 2014 to June 30, 2015) that means anyone that graduated between 2001 and 2014. Young alumni play an important role in providing current deserving students with the same opportunities they had. We welcome your feedback at swarthmorefund@swarthmore.edu.
