

CASE Member Institution Roster Sizes as of March 4th, 2024

This information will be updated by the third business day of each month, through April 3, 2024

Use this for Circle of Excellence Award categories that require you to select one of three staff sizes. The roster size you select should be as of the date you pay for your nomination. CASE will move nominations to the appropriate category if the selected category is not consistent with the total staff count on the CASE roster as of the close of the nomination period.

To see a list of who is on your roster, go to <https://community.case.org/network/members> and search by your institution's name to see how many people are on the roster.

Send roster updates, additions, and corrections to membership@case.org.
